Which means of transport are most suitable for me?

What landmarks can I visit in my free time?

How to travel in a sustainable way?

All of your questions - now **ANSWERED!**

MOVE IT

Yay, NEW Experiences!

As an international student in the Netherlands, not only the university will be different. But also the country! And therefore- the transportation system!

That is why we created a digital magazine - to guide you through! You will find out in how many different ways you can experience the country and the city of Arnhem!

Whether traveling by train, bus or bike, you can always

- DO it in a sustainable manner,
- SAVE money- by using a student travel product
- LEARN what you interests you- while reading in the train, or just
- ENJOY the beautiful landmarks this country has to offer!

You will get to know how all of that is possible in our new-

But HOW can you get most out of them?

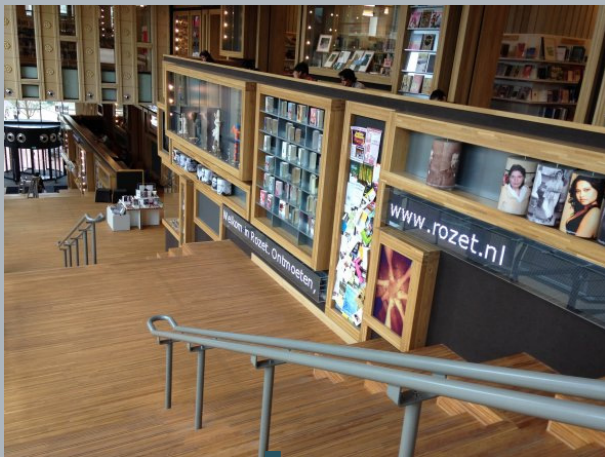

What is THERE to find in Arnhem?
